

Attention

Despite our best efforts, we recently discovered that a staff member tested positive for COVID-19. Rest assured that we will be taking every measure to ensure the safety of our members and guests by deep cleaning and sanitizing the Lodge.

If you are sick, think that you are sick, recently got tested pending results or come into contact with someone sick...

STAY HOME! We will do our part, but you must also do yours.

Thank you,

Your Local Moose Lodge
