

Attention

We recently discovered that our staff may have come into contact with individuals who have tested positive for COVID-19. No employee has tested positive. There is no threat to the public. Rest assure that we will be taking every measure to ensure the safety of our members and guest by deep cleaning and sanitizing the Lodge.

If you are sick, think that you are sick, recently got tested pending results or come into contact with someone sick...

STAY HOME! We will do our part, but you must also do yours.

Thank you,

Your Local Moose Lodge
